

New England Botanic Garden at Tower Hill

<https://nebg.org/>

Admission and Ticketing Procedure:

Below are the procedures Gardeners Exchange members will use to get General Admittance to the gardens, or for admittance to ticketed Special Events.

- 1.) Our Gardeners Exchange Tower Hill Membership # is on your membership card (starting in 2024 with cards handed out at the March meeting).
- 2.) The number to call for tickets is now the THBG main number **508-869-6111**.

Before You Call:

1. See <https://nebg.org/planyourvisit> to choose a date for General Admittance, or a time and date for Special Events.
2. Determine the ticket category: for you as a member, and the appropriate categories for any persons accompanying you for whom you are purchasing tickets. The Garden is open 10am-5pm with a last admission time of 4pm.
3. Use the (**Click Here To Reserve Tickets**) box to get to the calendar and the categories. Once you've determined your date and categories, call Tower Hill instead of completing the online reservation.
4. Call Tower Hill at **508-869-6111**. Provide the organizational membership Name and Number: "Gardeners Exchange Garden Club" and the number on your membership card.
5. Provide the **number and categories** of tickets requested. All persons must be ticketed (member, non-member, senior, adult, youth, child).

If you are ticketing for yourself as a member, but are going with other family or guests, per NEBG FAQ's, they at all times, as non-members would need to be ticketed using the non-member pricing schedule.

****The Gardeners Exchange has an allotment of 4 tickets per day for use by Gardeners Exchange members only. The NEBG has recently modernized software enabling them to monitor daily the number of member tickets**

used. Once they are gone, members receive no further free or discounted membership entry for that day, but can ticket themselves as a paying non-member.

6. Provide **your** email address. All tickets will be emailed to you: they can be printed or presented on your smartphone at the time of arrival. After you park, proceed with your tickets to the Visitors Center to check in.
7. Tower Hill accepts walk-ins. If you do not have an emailed ticket from a called-in reservation, you'll need to call or email me (see below) to pick up one of the 2 NEBG to get either a free or discounted ticket at the Visitors Center. You can also choose to go without the pass and pay non-member admission.

A Couple of Things about New

++ The **'Calendar'** listing on any page now takes you to a calendar complete with color photographs, event information, and links to the site for any program or event or class taking place on any day in any month! Check it out at

<https://purchase.nebg.org/calendar.aspx>

++ **Subscribe** to the NEBG newsletter to get advance notice of events and other happenings. Read about the classes, flower shows, lectures and sales, and special programs for every age group, all accompanied by lovely pictures from every season. There is a green and white 'Subscribe' button at the bottom of many of the NEBG website pages. In the subscribe form, check yes that you are a member.

Enjoy the benefits of your Gardeners Exchange membership at the New England Botanic Garden. 🌈
